TEAM*Sports Surfaces***t i e b r e a k**

A truly Australian product made from proven quality Kinnears yarn to the highest of standards for traditional 19mm sand-filled tennis surfaces.

Ideal for clubs and associations looking for long life and a quality standard of play.

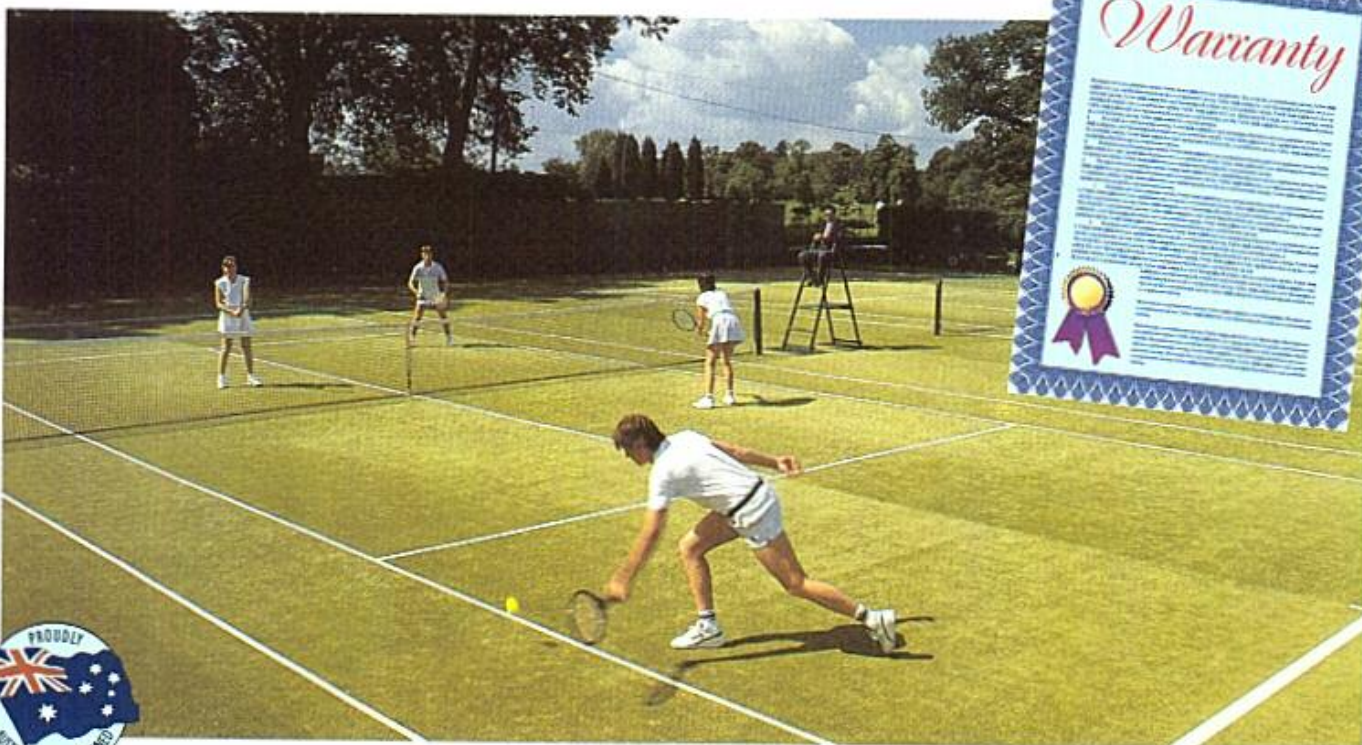

**TEAM***Sports Surfaces***p r o s e t****Polyloom**

Polyloom has provided yarn for Australian tennis court surfaces for many years. T.E.A.M. now offers this once exclusive yarn in a quality 19mm pile height product, for consideration.

TEAM*Sports Surfaces***a d v a n t a g e**

Bonagrass yarns are at the heart of synthetic playing surfaces throughout Europe. From recreational to international competition level, their development programs continue to set standards.

Now T.E.A.M. manufactures these renowned yarns into a quality 19mm product here in Australia for your very own advantage court.
